

HOLIDAY EDITION 2023

THE VIEW

AT NEW HEIGHTS...

FROM THE PRESIDENT

As we approach the Holiday season, it's a time for celebration, reflection, and spreading cheer. In this overview of 2023, I'm excited to share how our Club has grown and thrived throughout the year, bringing joy, knowledge, and camaraderie to our valued Members.

Our goal going into 2023 was to ELEVATE your Club experience: menu, wine, service, and unique events. As a bonus, we were able to add a sense of community and giving by creating the Philanthropic Committee and Epicurean Foundation. With that said, I would like to

personally thank each committee chair who made this possible: Aakash Patel, Annette Newkirk, Beth Ash, Leigh Nickens, Nicole Breed, Whitney Brundage, and their respective committee Members. Throughout 2023, our Club has experienced remarkable growth. One of the most notable developments has been the increase in the number of monthly events. We've been working tirelessly to provide our Members with a more extensive array of activities and experiences, ensuring that there's something for everyone.

This year, we've expanded our Member programming to include several exciting series and initiatives. Here are some highlights:

1. B2B Series: Our Breakfast-to-Business Speaker Series has fostered meaningful connections and partnerships among our Members. It's been a platform for collaboration and growth for both individuals and businesses.
2. Club42: Our first-ever late-night event with VIP bottle service. The transformation of our View42 space to a chic venue was a success. Be sure to check out the photos on the Club's social media.
3. Third annual 40 Under 40: The event celebrated the exceptional achievements of our young Members. It's an inspiring testament to our future Club leadership.
4. Epicurean Club Programming: Our culinary enthusiasts have had a feast of a year with expanded Epicurean Club programming. From our wine dinners and pop-up tastings to exclusive dining experiences such as the Chef's Table Dinner allowed us to indulge in the finer things in life.
5. Philanthropy Committee and The Tampa Club Epicurean Foundation Launch: One of the most heartwarming milestones this year was the launch of our commitment to giving back to the community. Through various charitable endeavors and partnerships with local organizations, we've positively impacted the lives of those in need. The Epicurean Foundation is near and dear to my heart since this focuses on local high school students who show exceptional promise.

To add, I stand before you to formally "pass the gavel" and entrust the leadership of our beloved Club to a truly exceptional individual who needs no introduction to most of us. Many of you know him by his unwavering dedication and tireless involvement in our Club's activities over the years. He has been a driving force behind the success and growth of The Tampa Club. His passion for our Club's mission and his commitment to creating memorable experiences for our Members are truly unparalleled. Ladies and gentlemen, it is with great pleasure that I announce Aakash Patel as President of The Tampa Club for the year 2024.

Finally, I want to express my sincere gratitude to the entire Club Staff for their unwavering dedication. Your hard work and commitment to providing an exceptional Member experience are truly appreciated. Thank you for all that you do. Here's to a festive holiday season and to even more remarkable achievements and experiences in the coming year! Cheers to the continued growth and success of our Club in 2024 and beyond.

Robert Paredes, 2023 Club President

From the Philanthropy Committee: The Tampa Club Holiday Toy & Food Drive

The Tampa Club Philanthropy Committee is proud to be working together with **Ronald McDonald House Charities Tampa Bay** to provide families affected by childhood cancer with presents, and pantry items during the holiday season.

About Ronald McDonald House Charities Tampa Bay: The Mission of Ronald McDonald House Charities of Tampa Bay is to create, find, and support programs that directly improve the health and well-being of children and their families. We want to see a world where all children have access to medical care and their families are supported and actively involved in their children’s care.

Our core program is the Ronald McDonald House, a home away from home that provides comfort, support, and resources to families who travel far from home for the medical care their child needs. Ronald McDonald House Charities of Tampa Bay Chapter is comprised of 4 Houses, 3 in St. Petersburg and 1 in Tampa offering 80 bedrooms with private baths located near local pediatric hospitals.

On The Wish List:

Send a copy of your confirmation order to reception@thetampaclub.com in order to be entered into a raffle! The Tampa Club will be raffling off a certificate for a free month of dues, lunch for two, dinner for two, and a few surprise items!

The Ronald McDonald House Meal Program

Ronald McDonald House Tampa Bay has four locations in Tampa and St. Petersburg and provides a home-away-from-home for families with pediatric patients receiving medical treatments in our local hospitals. The families staying at Ronald McDonald House need and look forward to a well-balanced meal after a long day at the hospital, and we rely solely on our community partners to provide this vital resource. Come cook a meal with your corporate team or your family and friends. You can choose to cook a meal in one of our Houses, or you can sign up to bring in prepared food from a restaurant or packaged food from a grocery store. MANGO MISO SALMON

As the Holidays approach, I'm always looking for simple recipes that are both delicious and easy to make during the busiest time of year. This recipe is one that is on our Private Events menu here at The Tampa Club, and I am always receiving requests on how to make it. Not only is it a very simple recipe to follow, but it is also a crowd-pleaser, for even the pickiest of eaters.

*Sincerely,
Chef Thomas*

Ingredients

- 4 8oz Salmon Filets
- ¼ C. Miso Paste
- ¼ C. Mango Puree
- 2 oz. Sriracha
- ½ C. Soy Sauce
- 1 Tsp. Dry Ginger
- ½ C. Sugar
- ¼ C. Sweet Thai Chili
- 1 C. Water
- ½ C. Heavy Cream
- ¼ C. Sesame Oil
- ¼ C. Sesame Seeds

Instructions

- Mix together the mango puree, soy sauce, sugar, water, sesame oil, miso paste, Sriracha, ginger, sweet chili, and sesame seeds
- Remove 1/4 of the mixture and save for the sauce. Place the salmon filets in the remainder of the marinade and let marinate for 24 hours
- Preheat oven to 375°F and cook salmon until interior temperature reaches 145°F
- While salmon is cooking, take the portion of the marinade that was set aside, add to a sauce pan with the heavy cream and bring to a simmer. When sauce has reduced, pour over salmon and serve with steamed jasmine rice.

HOLIDAY GREETINGS FROM JUSTIN-

A very special holiday drink for me is a B52 coffee. I learned about it 15 years ago and made them for my dad and stepmom when I went home for christmas. They both loved them and it became a tradition to drink them while playing cards in front of the fire at christmas time while I was visiting.

Continued below...

The biggest tradition for us as an Italian family is Christmas Eve's "Feast of the Fishes". The tradition has been passed down for several generations to me and my sisters. Every year we make 13 different seafood dishes for about 30 friends and family members. The tradition is, you MUST eat a bite of each dish for good luck the following year! It's a huge production, but so worth it, especially when the entire group plays games for prizes afterwards.

I would love to know about your favorite holiday traditions! Next time you're at the Club, I want to hear them all!
