

SUMMER EDITION 2023

# THE VIEW

AT NEW HEIGHTS...

FROM THE GM

It's officially summer time! School is out, the weather is warming up, and the Tampa Club is continuing to grow and evolve. As a reminder, the Club is closed the first week of July in observance of Independence Day. When we welcome you back to the Club on Monday, July 10th we will have a new menu waiting for you! Chef Thomas has been working hard in the kitchen to create a brand-new, seasonally inspired menu for you all and from what I've tasted, you all are going to love it. Chef isn't the only one who has been working hard in the kitchen. I would like to congratulate Chef Taylor Hancher on becoming our Chef de Cuisine. Taylor went to the Auguste Escoffier

School of Culinary Arts in Boulder, Colorado and spent seven years in Denver honing her craft before returning to Florida. We are so excited to offer her this position, and I know she will continue to exceed expectations.

I'd also like to welcome back to the Club, Amanda LeBrun as our View42 Restaurant Manager, and Monica Johnson as our banquets manager. Amanda worked at the Club as our service director for two years prior to the renovations, and we are so happy to have her back! Monica is originally from Hungary, and has been in the Private Club Industry for 10 years. We are so excited to have these amazing ladies as part of the team! If you see them around the Club, be sure to give them a warm welcome.

We continue to reinvest in the Club so it not only feels like your home away from home, but also as an extension of your office. To do this, we are transforming the Skyline Lounge into a communal working space that transitions seamlessly into the perfect place to enjoy a cocktail in the evening. Another investment into the Club is the opening of the terrace on the north side of the building, next to the Canopy Ballroom as a space for private and member events to fully take in the wonderful view that is exclusive to The Tampa Club. In the construction of the north terrace, we are initiating the Canopy Club, which is similar to the existing 21 Club. Businesses have the opportunity to permanently display their company name on a tile, for the 40 annual events with over 14,000 attendees that use the Canopy Ballroom space every year. For more information on the Canopy Club, flip to page 10.

The events calendar over the next few months has a great selection for every one of our members to enjoy! Everything from an Opera Dinner, the first ever Club 42 where the Club will be transformed into a late night hotspot with live entertainment, to our third annual 40 Under 40 where we will celebrate the top 40 Tampa Club members under the age of 40.

In addition to these amazing events, we're gearing up for the 14th annual Presidents' Cup Golf Tournament on Monday, October 9th! This year we are honored to be supporting the non-profit Post 911 Veterans as our beneficiary. Last year's golf tournament raised over \$7,000 towards the LTB Foundation and the renovations to MacDill Air Force Base's Youth Center. The goal is to continue to raise awareness and offer support to local Tampa Bay organizations. Registration is opening soon, and you can find more information by flipping to page 19, or by emailing our Membership Director, Erin.

As always, please don't hesitate to reach out to me to provide feedback, ask questions, or make suggestions for the betterment of our Club. THANK YOU for your continued support of The Tampa Club.

# WATERMELON FETA SALAD

*Its Summer Time!*

*As a native Floridian, summer is definitely my favorite season.*

*Growing up in the Tampa Bay area, my fondest memories are the trips to the beach as a kid. Make no mistake, I still take full advantage of any chance I get to relax with my feet in the sand and listen to the waves come in and out all afternoon. I could watch those priceless sunsets every day and never grow tired of them. I remember that my mother would always pack this salad in the cooler for the day. What a coincidence that watermelon's peak season begins in the last week of June, and lasts the entire month of July.*

*So, I encourage you to make this for your next snack in the sand while catching some rays, or make this for a beautiful afternoon lunch with friends.*

Sincerely,  
*Chef Thomas*

## Ingredients

- 1 medium size seedless watermelon (diced small)
- 1 C. feta cheese (chopped small)
- ½ C. lemon juice
- ½ C. agave
- ½ C. minced mint
- ½ C. minced basil
- ¼ C. balsamic vinegar
- ½ C. olive oil
- 2 Tbsp. salt & pepper

## Instructions

- Add all ingredients into a mixing bowl and gently mix
- Allow to sit for 30 minutes before serving
- Optional: garnish with sprigs of mint and basil
- Enjoy!

## ABOUT THE EPICUREAN CLUB & COMMITTEE

**T**he Tampa Club's Epicurean Club and Committee was evolved from the Tampa Club's Vintners' Club & Committee in 2023 by co-chairs Beth Ash and Leigh Nickens. The Vintners' events included all things wine, but Beth and Leigh wanted to ensure that there was programming to appeal to those who enjoyed more than wine, and that's where the Epicurean Club was born. This club encapsulates everything food, wine, and spirits and is the perfect Club within the Club for those Members who want to Sip, Savor, and Share.

## SUMMER COCKTAIL RECIPE: THE HAVEN & HELL

- 1.75 oz. Coconut Rum
- 0.5 oz. Blanco Tequila
- 1 oz. Pineapple Juice
- 0.5 oz. Fresh Lime Juice

### INSTRUCTIONS

1. In a cocktail shaker, add 1-3 jalapeno slices, (depending on how spicy you like it) and muddle
2. Add ice to the shaker, then add all the liquids and shake! Pour into a short glass over ice
3. Garnish with a jalapeno slice, and lime wheel, and enjoy!

# Meet the Chair of the Epicurean Committee

## Beth Ash

Beth is the co-chair of the Tampa Club's Epicurean Committee along with Leigh Nickens. Beth was the Chair of the Tampa Club Vintners' Committee, and in 2023 her and Leigh worked to metamorphosize the Vintners' Club & Committee into the Epicurean Club & Committee, expanding the interest and programming from solely wine, to also include food and spirits.

### How long have you been a member of The Tampa Club, and what originally prompted you to join?

I joined the Tampa Club in 2018 and was very excited about the monthly wine dinners. I moved to Tampa from Dallas, TX where there was a robust wine scene with lots of opportunities to learn and explore wine through community events. When I moved home to Tampa, I was in search of a wine community and joined the Tampa Club as a way to connect with other wine-loving folks.

### From a member's perspective, what's your favorite part about the Club?

That's a tough one - naming just 1 thing! Here's my top 2: It's an elegant setting for any event - from catching up with an old friend to hosting a charity event or a formal dinner event for customers, business colleagues or friends.

That goes hand in hand with my second reason - Several members of the staff make the Club a wonderful place to be - Sal and Jake are always attentive at the bar, Erin is a remarkable resource for me and for any potential members I bring to the Club and Alissa has been a remarkable resource for the Epicurean Club with her extensive background in the food and beverage industry. Justin makes you feel like royalty and have you ever had him make Banana's Foster for you tableside? It's a treat (visually and on the palate)! Kat has been so helpful and has been instrumental in the Epicurean kickoff in so many ways. The team really strives to make the Club a great experience for everyone and I'm so proud they each choose to call The Tampa Club home.

### What's one Club experience that has really stood out to you?

In partnership with Tampa Bay Whiskey Society, we hosted an event for women presented by Maker's Mark. It was a great educational and tasting experience where I got to meet other bourbon loving ladies, received great swag and had loads of fun!

### Where did your passion for food, wine, and spirits originate?

Food is always a part of bringing people together. Many of my family's events revolve around food and there's always a favorite - no one makes banana pudding like Pearl Ash, Norma makes the best deviled eggs - I'm sure your family has your favorites from certain people, too. Doing food well is a way to share love with those important to you. I had several friends who are amazing cooks, which helps with the curiosity to learn more. This sparked an interest in fine dining or any quality food. My first trip to Napa Valley, CA gave me the bug for how fascinating it is to see the art and science of wine collide. Spirits came a bit later, but it's impossible to visit the bourbon trail and not find something to love. It's the EXPERIENCE of food, wine and spirits (and who you get to experience it with) that drives my passion.

### What made you decide to step up to the challenge of being the Co-Chair of the Epicurean Committee?

All of those things I mentioned in my "why" behind the passion for food, spirits and wine is what drives me to be involved in the Epicurean Committee. It's a bright spot for me to participate in the committee where I get to share my passion with like-minded people to create experiences for members and guests who hopefully enjoy and appreciate them as much as we do.

### What are the experiences that you're hoping the Epicurean Club can initiate for other Tampa Club members?

Quite simply, experiences that allow people to find people they truly connect with - the missing members of their tribe so to speak - in enjoyable events sharing food and beverage in an elevated, refreshing, delicious way.

### Tell us more about you!

As a Tampa native, I love seeing the ways our city has grown and evolved. When I'm not thinking about food and beverage events or vacations, my day job allows me to serve the scientific healthcare community as Sr. Operations Manager at Thermo Fisher Scientific. I love to read, spend time on the water and learn new things. Next time you see me at the Club, say hello and if we haven't met, please introduce yourself - I'd love to meet you!

## What They're Saying

"There's so many things to love about the Tampa Club. The elegant atmosphere, the attentive and knowledgeable staff as well as superior meals with exceptional views. I especially love the wine dinners where I get my fill on wine tasting and education served up with perfect food pairings. It's my happy place."

*Beth Ash*

Co-Chair | Tampa Club Epicurean Committee

"Being a member at The Tampa club has opened so many doors for me. It is a great place to meet new likeminded people. I use the club for everything from getting together with friends to having dinner with perspective clients. The events are fun, the food is great and the view is always breathtaking. There is no better place to unwind after a long day at the office. I have sponsored several friends for Membership, and they all thank me for opening their eyes to this magnificent place."

*Ken Pomella*

Entrepreneur & CEO | RevStar Consulting

"The Tampa Club is a home away from home. I have fostered many friendships both business and personal. I love to see the diversity of Members that reflects the Tampa culture that will continue to enhance each other's life experiences."
