

SPRING EDITION 2023

THE VIEW

AT NEW HEIGHTS...

FROM THE GM

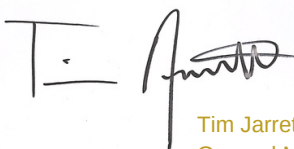

Spring has sprung in Tampa Bay, and with it comes new highlights from the top of Tampa! First and foremost is the fresh, new menu from Chef Thomas. One of my personal favorites is the fish tacos. If you haven't tried them yet, give them a try the next time you are in, and be sure to let us know what you think!

The Club is also now displaying a fresh new collection of artwork created by local Tampa Bay artists. Keep an eye out for these incredible pieces as you walk through View42, the co-work space, and down the hallways of the Club. If one catches your eye, they are all for sale! It's a great way to secure a unique piece for your collection AND help support local artists.

We are also excited to announce two new additions to the Tampa Club staff! Please give a warm welcome to our new receptionists, Franny and Jaimee when you're arriving at or leaving the Club.

As we celebrate the Tampa Club's 42nd anniversary, and the first anniversary of the completion of the View42 renovations, I want to take a moment to recognize our Sunset Bar and 21 Club Members. These renovations wouldn't have been possible without you, and The Tampa Club wouldn't be here after 42 years if it wasn't for every single one of YOU, our Members!

I wish you all a great Spring season, and as always, thank you for the opportunity to exceed your expectations.

A NOTE ON MEMBERSHIP

Erin Stancick
Membership Director

Hello to my Tampa Club Family!

Since I began my role as Membership Director in September of 2022, it has been nothing but an absolute pleasure in meeting all of our Members. The Tampa Club has welcomed an influx of young executives, residents new to the Tampa Bay region, and people who are looking to grow not only their business networks, but social as well.

With a growing Membership as diverse as ours, we're thrilled that we were able to welcome the new Philanthropy Committee to the Club, alongside our Ambassadors, Epicurean, Member Relations, and Young Executives committees. The Philanthropy committee's mission is to build a strong partnership between the board of directors, Members, and the staff leadership to guide the process of nurturing a philanthropic culture across the full organization. The first Philanthropy initiative is with the Heart and Sole Drive, which provides shoes to children ages 1-18 that are in the foster care system. Every pair of shoes donated counts as a raffle entry that could win you two tickets to an Epicurean Wine Dinner, two tickets to a Cigar Dinner, one month of complimentary dues, a certificate for a lunch for two, or a certificate for dinner for two!

As we continue to expand, I encourage all of you as Members to refer friends, family, and colleagues. What better way to gain new Members than from those who are already in your network!

MANGO GAZPACHO

Hey Everyone,

Spring is here and in my opinion, the best part of living in the paradise we call the Tampa Bay area.

Growing up in the Bay Area, we had several mango trees in our back yard, and you can't walk far in the South Tampa area without stumbling on a tree. I only know now why my parents were so upset when my brother and I used the unripe mangos as projectiles and balls for batting practice.

As we enjoy the beauty of Spring, and welcome the Easter and Mother's Day holidays, this dish is a great addition to any brunch spread, or even alone as a light lunch. I deliberately made this quick and easy, so we can get back outside and play.

See you soon and enjoy!

Chef Thomas

Ingredients

- 4-5 C. roughly chopped mango (3 mangoes)
- 1/2 C. peeled, seeded, and coarsely chopped English cucumber
- 1/4 C. finely chopped white onion
- 1/4 C. olive oil
- 1/8 C. rice vinegar
- 1/8 C. fresh lime juice
- 1 C. pineapple juice
- 3/4 C. sugar
- 10 fresh mint leaves
- 1 tsp. coarse salt
- Pinch of freshly ground pepper
- Fresh chives, for garnish

Instructions

- In a blender, combine mango, cucumber, and onion. Puree until smooth. With blender still running, gradually add oil until emulsified.
- Add vinegar, mint, lime juice, pineapple juice, and sugar. Blend until combined.
- Season with salt and pepper to taste.
- Transfer to a bowl, cover, and refrigerate until chilled. Serve garnished with fresh chives.

Chef Thomas Mandzik, Executive Chef

Meet the Chair of the Member Relations Committee

Whitney Brundage

Whitney is a Fractional Non-Profit Executive, focusing on strategic planning and operations, and is involved in several local committees and organizations. She is also a graduate from the Leadership Tampa Bay Class of 2022.

How long have you been a Member of the Tampa Club?

I have been a Member for about 9 years, I am in my 3rd year as Chair of The Member Relations Committee, and on the Board of Directors.

What initially interested you in joining the Tampa Club?

In 2014, I was introduced to The Tampa Club while attending fundraiser, chamber, and non-profit events. I formed great business relationships and lasting friendships in a short period, which led me to want to be a part of the Club.

From a Member's perspective, what's your favorite part about the Club?

I love the familiarity and the comfort of the Club, the sense of belonging among Members. I have spent many hours with close friends and family there, which has led to lasting memories. The Club staff is incredible and with the completion of the renovations, the Club looks more modern but still feels like home. Also, the obvious answer of the breathtaking views of Tampa Bay!

What's one Club experience that has really stood out to you?

I have several wonderful club experiences personally, but the Membership coming together to weather the challenges during COVID stands out the most. We all had to make changes and adjustments personally and professionally, and within the Club, Tim had to lead through the restrictions, serve the Members, and take care of the staff. All this not long after the Club transitioned from ClubCorp to BNG, and planned for a renovation. The outcome I observed was an investment into the Club from the Members, who wanted to see success through so much uncertainty.

What made you decide to step up to the challenge of being the Chair of the Member Relations Committee?

The Member Relations Committee is a liaison between the Club and its Members. The goal is to ensure they feel supported, engaged, and connected to the Club. My tenure as a Member, combined with my background in operations and strategic planning was a natural fit.

How can the Membership help support the growth of the Club, and why is the growth of the Club important to you?

The Members love and support the Club, which shows through continued Membership growth and utilization. This success and growth is important to me because I plan to be a Member for a long time and continue to grow relationships and friendships. Ultimately, the success and growth depends on the active participation and engagement of its Members. By working together to promote the Club and support its activities, we can create a community that benefits everyone involved.

What are some of the most positive changes that you're hoping the Member Relations Committee can initiate?

Member engagement! We have very specific goals and outcomes we work towards, but the root of it all is we want to see Members utilizing the Club, attending events, and creating relationships. Each meeting, we address what Members are looking for within the Club immediately, and what we can offer long term for business and social events. Over the last few years MRC has implemented very successful events, like 40 Under 40 in collaboration with the Young Executive Committee, as well as other social events like happy hours. The committee is able to work hard to serve the Members because we have a dedicated group who are invested in the Club. I am thankful to work with such an awesome group!

Tell us more about you!

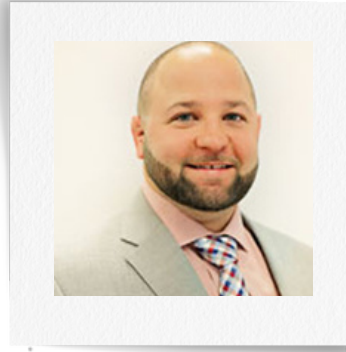

I was born and raised in Tampa and I love our city! I am honored to be included in the View! I am the mom of 2 amazing sons, Bryce, 17, and Blake, 15, and I have the most wonderful boyfriend, Ben. I love to meet other Members, so please say hi when you see me at the Club.

A Warm Welcome To The Tampa Club Philanthropy Committee

ANNETTE NEWKIRK, CHAIR,
PHILANTHROPY COMMITTEE

In October 2022, The Tampa Club welcomed Amelia Fox of Lutheran Services Florida as the featured speaker at the Young Executives Luncheon. A non-profit organization, Lutheran Services Florida is dedicated to serving children, adults, the elderly, refugees and immigrants through various programs ranging from substance abuse and mental health to education. Through their work, they help communities build healthier, happier, and hope-filled futures.

Tampa Club Member Mina Tadrus of Tadrus Capital was in attendance at the luncheon. After listening to Fox's presentation, he felt inspired to do more. First, he underwrote Fox's initiation and Membership into The Tampa Club. With the addition of Fox to the Tampa Club family, other Members soon gathered to create the Tampa Club Philanthropy Committee.

"I was so inspired by Amelia and what Lutheran Services Florida does for the community" explained Tadrus. "There are so many ways that we can all help out, the least I could do would be to sponsor her Membership to the Club."

The committee - chaired by Club Member Annette Newkirk of Newkirk Group - works

closely with the Board of Directors, Members, and the staff leadership to bring abundance, and nurture a culture of Philanthropy across The Tampa Club organization.

The first of many upcoming philanthropic initiatives being promoted by the Committee is the Heart and Sole Drive to provide shoes to children ages 1-18 in foster care. Through June 12th, Members are encouraged to bring new shoes of any size up to The Tampa Club. Flip to page 8 for more information about the Heart and Sole Drive.

For more information about the Tampa Club's Philanthropy Committee, please contact our Membership Director Erin, by emailing erin@thetampaclub.com

What They're Saying

"The Tampa Club is a convenient place to go where the view never gets old, the staff knows me on a first name basis, and the other members become an extended family.

I enjoy furthering my relationships with members who I've come to know well and always look forward to meeting new faces with each visit or event attended. The food is excellent, Justin knows how I like my bourbon, and the events always give me something to look forward to on my calendar."
