If the payment is being made by check, the check must have the name of the tax exempt entity on it and made payable to The Tampa Club. All payments must be from tax exempt entities.

MENU PLANNING AND PRICING

The Tampa Club banquet menu is a great foundation for structuring the menu of your private event, however, our Executive Chef would be delighted to prepare any menu you may desire. To allow adequate time for preparation, menu plans must be completed a minimum of two weeks in advance. The Club requires a set menu for parties over 15 guests in order for the club to provide the best event experience. Prices listed within Banquet Event Order, are subject to proportionate increases to meet increased cost of supplies for Functions reserved more than 120 days in advance, but any such increase shall not exceed 10%.

FOOD & BEVERAGE

All food served must be supplied by The Tampa Club and must remain on The Club premises. Banquet food served in Buffet format cannot be taken from the Club due to food-safety regulations. Third-party catering is not permitted without expressed permission from the Club's Private Events Director & General Manager. The exception to the above policy relates to special occasion cakes which must be provided by a third-party bakery. As a licensee, The Tampa Club is responsible for the sale and service of alcoholic beverages in accordance with the Florida Liquor Control Board. Therefore, it is policy that all alcoholic beverages be supplied by The Club. Alcoholic beverages will not be consumed by persons under the age of twenty-one. The Club reserves the right to refuse service to any person that appears intoxicated.

GUEST GUARANTEES

A guarantee is required for all meal functions. The reassignment of a meeting or dining room space due to an increase or decrease in guest count remains at the discretion of the Tampa Club. Your final guest count must be received by the Catering Office 72 hours prior to the function date by 2pm. The Club can accommodate up to a 5% increase from the guarantee number, anything over that is at the discretion of The Club and/or product availability. In no case, will the Club allow for a reduction in the guarantee number within this period prior to the function. Final billing will be charged according to the guaranteed number of guests or the actual number of guests, whichever is greater. In the event that a guarantee is NOT provided, the original estimated attendance or the actual number of guests, whichever is greater, will be used for final billing.

SMOKING

In November 2002 Florida voters approved a constitutional amendment that bans smoking in enclosed indoor workplaces. The Tampa Club is in full compliance with the law.

DRESS CODE

Attire throughout the Tampa Club is business casual. Jackets are not required for gentlemen. The dress code stipulates no faded or torn jeans, midriff, t-shirts, shorts, tennis shoes or flip flops. The dress code is for members, their Guests, and contracted labor. Management has the right to refuse entry to any violators. Please note that members or their guests not following the dress code may be asked to leave. The dress code applies to all private events, please remember to mention it to your guests.

LIABILITY

The Tampa Club reserves the right to inspect and control all private functions. Liability for damage to the premises will be charged accordingly. Decorating may be done with approval and removed the night of the function. No staples, adhesives or confetti are allowed. The Club does not assume responsibility for personal belongings, gifts, any merchandise, decorations or equipment left in The Club prior to, during or after a function. Please assign a personal attendant to gather such items.

FORCE MAJEURE/WEATHER/COVID-19

The Tampa Club reserves the right to cancel at any time during a hurricane warning or watch posted by the National Hurricane Center. The Tampa Club shall not be liable for failure to complete a function due to strikes, accidents, natural disasters or other causes beyond its control. In case of cancellation by the event client, deposits are non-refundable, but the member or host may choose to reschedule the event within one year of the original booking date.

ROOM SET UP

A set up time can be requested up to two hours before your event. Please notify the Catering Office if additional time is needed. Please communicate the specifics of your event needs with regard to room layout in advance of the event. Changes in set up within 72 hours of the event may be subject to a \$250 Re-Set Fee.

THIRD-PARTY VENDORS

We highly recommend our preferred vendors as they are familiar with our facilities and partner well with The Tampa Club. All third-party vendors must provide The Tampa Club proof of liability insurance prior to working any event. Vendors with large deliveries or large vehicles will need to access The Club through the loading dock and service elevator off of Jackson Street. Please contact the Catering Office if a vendor's vehicle, who is staying the entirety of the event, cannot fit in the parking garage. Alternative arrangements can be made but must be coordinated in advance.

SECURITY

Optional building Security personnel is strongly recommended for groups over 100 guests, though not required. The host can select to have the security guard at the ground floor or sky bridge entrance to help with guest arrival. The 2nd guard will be in the command center to assist with guests entering the building. The current rate is \$300 for four hours. Should the host want an additional guard to help at the second entrance point it will be \$150 extra. Anything over four hours will require additional fees.
